

REOPEN KENTON AV. FOR ROAD TRAFFIC

Will Be Closed For Short
Time Later, However,
For Surface Treating

Kenton av. was reopened to traffic yesterday after being closed for about 10 days for reconstruction of the roadway. The opening of the road eliminates the detour over Leader and Silver sts.

County Surveyor Cecil R. Leavens who has had charge of the construction of the new road stated today that it was open to traffic only temporarily.

Ritzzy Rosalie

ROSALIE has decided that there is no limit to the ensemble idea, for she discovered a calfskin bag grained to resemble fox fur. The colors complete the effect, as it comes in brown, red, silver, black, and the others, with the brown, red and silver especially effective. This is a distinct novelty, and Rosalie is much pleased with it. She also saw in a window a "raddy" handbag, which was a miniature golfbag of gay printed cotton, closed by a metal slide fastener and fitted with a mirror. She may get it later.

Monday morning while at work at the Humphreys Manufacturing plant at Mansfield. He was taken to the General Hospital, Mansfield and was later removed to his home at Lexington. His condition is critical. It is reported. Mr. Kelley is well known here and at Marion. Mrs. Albert Benson of Marion is a sister.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. C. O. Ungericht—Adv.

Vicious Literature

Secret distribution of vicious literature, distorting the truth in an effort to mislead the public, cannot offset the fact that only the finest tobacco—the cream of the crop—is used in Lucky Strike Cigarettes. Leaders of sport, art and fashion testify to the improved flavor. 20,679* physicians say toasting does in fact make Luckies less irritating to the throat. And the public confirms these opinions. Increase in sales, greater than all other cigarettes combined, prove world-wide confidence in Lucky Strike.

On the Streets of Marion

WITH THE STAR STAFF

Manx Cats

There is at least one litter of kittens in Marion that won't be fed in a bag and dumped into the Sciotos. They are owned by Lew Baller, of 155 Garden st., and are not the kind that provide targets for old shoes when alley felines start a concert on the back yard fence. The kittens, four in number, are tailless manx. They are tiger striped.

Baller also owns the parents of the kittens. Bob the mother is also

when Bob is at large without engaging a vicious pair of claws.

Bob hasn't been so motherly to all her offspring, however. Nigger, another big black feline now grown to tom cat hood, didn't share the same confidence of his mother when he was a youngster that the four kittens now do. Nigger didn't run quite true to form, and as a result was kicked out of the nest at an outcast.

Imagine Bob's disappointment and chagrin when she discovered that her shining black baby had a fully developed tail! The disappointment and chagrin was genuine for Bob has refused to have anything to do with him since the discovery.

Manx cats originated in the Isle of Man, off the south coast of England.

Making It Good

On many occasions police officers have an offense for which they are looking for some one to arrest. It is seldom, however, that they have a person without knowing what of fence to charge them with.

Yet that was the difficulty which confronted a local officer one morning recently. The officer was patrolling East Center st. between Main and State sts. The difficulty arose when he found an illegally parked automobile.

Since the new car tracks have been in process of construction the area where the car was found has been a safety zone. The officer would have had no problem had there not been other complicating circumstances. Besides being parked in the safety zone the car was on the left side of the street and was about two feet from the curb.

After waiting sometime for the driver of the machine to return the officer tagged the car for being parked in a restricted zone. Before the officer was far removed from the scene the occupants of the car, two women, returned.

After a fruitless effort to induce the officer to let the ticket, the women proceeded to police court.

Evidently believing that their offense was not worth a dollar they apparently decided to earn the fine. They made the trip worthwhile by driving through a red traffic light at Main and Center as they started for police station.

20 Years Ago

Twenty years to wait for a card and it finally arrived. The thought of Mrs. Carl Sutton of Huntington, W. Va., the other day when she received Lester's greetings that had been mailed a score of years ago.

The card was sent by George Locke when he was 14 years old to his little sister, Marie, who at that time was six years of age. George was living in Columbus with his sister, Mrs. Anna Hagen, who at present lives on the Green Camp Pk. Marie was living in Huntington, W. Va., with her parents, Mr. and Mrs. Tom Locke. So when Lester's time came George thought he would be real brotherly and send his little sister a card. He picked out one with a little girl and Lester's picture and sent the card to his sister never thinking that it wouldn't reach her until 20 years later.

He never heard whether it reached its destination but being a "real man" about it he never mentioned the matter again. On May 24, 1920, his sister, who by this time was married, received the greeting card from her brother. At first she couldn't quite understand why she should be getting an Easter card this time of the year but upon turning the card over she found that it was dated March 4, 1900, and had been sent from Milan, Ohio. (Milan used to be the substitution for all mail sent from Columbus.)

She wrote a letter to her brother and told him that she had received his card and was very glad to get it after waiting 20 years for it. Today there is many a laugh heard in both families about this card.

There is only one solution to the lost card and that is that it was caught in the seams of the mail bag and remained there until new bags were purchased and the old ones thrown away. No other post marks were found and the card was perfectly clean showing that it had not been handled very much. Information was received that there had never been a card of that sort in the dead letter office either at Milan or Huntington. The mail bag seems to be the only solution. At a high rate Marie received her Easter greeting card even if it was a little late in reaching her.

STOWAWAY STARTS TRIP TO NEW YORK

Arthur Schreiber Will Sail "Tourist Third" on Leviathan

PARIS, June 20—Having achieved his ambition and crossed the Atlantic by airplane, Arthur Schreiber, who stowed away in the fuselage of the monoplane "Yellow Bird," boarded a train for Cherbourg at 9:50 o'clock this morning to catch the liner Leviathan which sails for New York today.

Armenus Lotli, Jr., sponsor of the "Yellow Bird" flight and the stowaway's business manager, saw him off at the station. Lotli had become quite attached to the 22-year-old Portland youth and bided him on both cheeks in bidding him goodbye. Schreiber is sailing "tourist third" his passage costs \$125. The money was advanced by Lotli. Schreiber expects to return the money from the profits he hopes to make as the result of his daring venture.

Everyone bestows on the world when he leaves it more than he brought into it.

Little towns are proud of their millionaires, but they discuss him too much.

SCHOOL ENROLLMENT FOR YEAR WAS 6,510

Daily Average Attendance 5,653; Girls Less Tardy Than Boys

With an average daily attendance of 5,653 pupils during the year, there were 59,928 days spent in school last year. This was shown in the yearly report issued from the office of George A. Bowman, superintendent of schools. Total enrollment in the Marion public schools last year was 6,510, and if the total enrollment of pupils had been present every school day during the year, there would have been 1,035,820 days spent in school.

The total enrollment includes 3,253 boys and 3,257 girls. When the average monthly enrollment was figured it showed that of 1,116 number, 3,012 boys attended during that period of time and 3,092 girls. Percentage totals 91.2 per cent.

Daily attendance during the year fell to 5,653, with 2,824 boys in school each day and 2,829 girls.

Girls Less Tardy

Girls in the schools evidently are more attentive to the hours on which they arrive at school. The tardiness cases during the year were 1,125 boys and 725 girls, or a total number of 1,850 pupils during the year.

This same condition is evident in the cases of truancy. Boys seem to have the urge to "play hooky" to a greater degree than girls. There were only 48 cases of truancy among the girls last year, but the boys caused the truancy officer to keep account of 169 different names.

Corporal punishment, one of the most feared of all disciplinary meth-

ods of school life, was looked on only 19 girls during the year, but 233 boys were subjected to this punishment.

Perfect attendance is something that many pupils strive for during the year, and according to statistics at the end of the year, a large number gained. The record shows that 1,979 boys were perfect in attendance and 1,718 girls were at school each day.

Make 1,218 Visits

The superintendent of schools made 1,218 visits to class rooms. These visits were divided between Jesse Mason, former superintendent and Mr. Bowman, present superintendent.

Four hundred and fifty-two boys and girls were transferred to other schools in the city during the year and 403 were transferred to other school districts. This number was balanced by the 450 pupils received from other school districts.

Excitement prevailed in the schools 124 times in 1919-20 when the fire bells clanged through the halls.

Teachers in the schools made 9,123 visits to the homes and 5,223 citizens visited the schools.

For 900 hours and 16 minutes during the year, children in the schools sang at the command of their music supervisors.

The report as issued is interesting, to both pupils and parents.

SIX HOMES UNDER QUARANTINE TODAY

Seven Smallpox Cases Reported; Some Not Severe, Says Weiser

Six Marion homes were under quarantine for smallpox today, with seven cases reported, according to Dr. W. J. Weiser, city health commissioner. Two cases were reported last week.

Some of the cases now under quarantine are not severe. Dr. Weiser stated today. Some of the patients have as few as four pox on their body, but this is sufficient to warrant their quarantine, the health official said.

The revised list of homes under quarantine is: Wilbur Gorenko, 533 Wood st.; Claud Arthur, 533 Henry st.; Ilene Frost, Davids and Bennett st.; Fred Frost, Davids and Bennett st.; J. O. Craig, 394 Bennett st.; Sam Nicolson, 120 Waterloo st. The home of Arliss Reichardt, Chicago av., was released from quarantine yesterday, Dr. Weiser stated.

Another controversy is in the making. Who first suggested that it be suggested to Premier MacDonald that he suggest he might visit the United States?

Now that the member of the House has rebuked the Senate for the tone of some of its speeches, it would seem that debates in the upper branch of Congress may be more interesting than many people have supposed.

Cuticura Healed Large, Hard, Red Pimples on Face and Back.

"When I was but a small child my face began to bother me. It itched and burned and pimples broke out. The pimples were very large, hard and red, and were in blotches. Some of them festered and when I scratched them it caused eruptions. They also broke out on my back and my clothing bothered them."

"I began using Cuticura Soap and Ointment and was surprised at the improvement, and after using two cakes of Cuticura Soap and almost two boxes of Cuticura Ointment I was completely healed."

...High-compression engines ...Oil...free from harmful wax

presence of carbon in the new, high-compression motors means not
loss of power and an upset of balance, but frequent removal of this
nuisance. Today's combustion chambers are so small that even
carbon causes trouble. Your Sohio service station man or dealer
glad to give you a chart indicating whether or not your car is one of
the high-compression type. Ask for this Compression Ratio Chart today.

ADVANCED NEW PROCESS REMOVES
HARMFUL WAX AT 40° BELOW ZERO

Most manufacturers of good oils now de-wax
by centrifugal action, using the principle of
the farm cream separator. But the method used
in making Sohio Motor Oil performs this vital
operation at 40° below zero. The harmful wax
completely crystallized and thrown out; what re-
sults all-lubricant 100% Paraffin base oil—New Sohio
Oil. Expect these results:

Little or no carbon
Flexible viscosity—perfect lubrication at all temperatures
Perfect piston seal—full power, least danger
of oil dilution

2 MOTORMEN HELD IN ELEVATED CRASH

Guard Killed, 36 Passengers
Injured in New York
"L" Wreck

NEW YORK, June 30.—Two men were held today as two investigations were conducted to fix the cause for the crash of two elevated trains on "death curve" last night, which resulted in the death of a guard and injuries to 36 passengers.

A charge of homicide was placed against James McGinnis, 43, motorist of a seven-car wooden train that crashed around "death curve," at 10th st. and Eighth av., picked up speed and crashed into the rear end of a lighter wooden train waiting at the next station, 80 feet above the street. He was arrested and the cause for the fatal accident was being squared on his shoulders by Police Commissioner Grover Whalen.

Louis Grazer, motorist of the other train, was held as a material witness. The transit commission also conducted an inquiry.

McGinnis denied he had rounded the curve at anything like a speed of an miles an hour, as charged by one passenger. He said wet rails caused the wheels on the train to slip when the brakes were applied.

Edward Brennan, a guard, was crushed between telescoped cars and died before rescue workers could extricate him. William F. Emerson, an assistant fire marshal, was overcome by heat and exertion in climbing up a fire ladder to the track and died as an aftermath of the wreck.

Most of the injuries which were suffered were received when passengers were knocked down and trampled upon in the rush to get out of the darkened cars, filled with smoke from two fires which sprang up. The 1,000 frightened passengers walked along the perilous "catwalk" to the next station, most of them being able to go to their homes.

The wreck occurred just after the Interborough Rapid Transit Co. had filed a petition with the transit commission for a 10-cent fare on its elevated lines.

Mother and Son Head School Alumni Body

FREMONT, June 29.—A mother and son today occupy the positions of president and vice president, respectively, of the Fremont high school alumni organization. Mrs. Lulu Bowman Finch is president and her son, Norman, president of this year's class, is vice president. They were chosen last night.

Mrs. Amelia Walhoff, member of the 1890 graduating class, was present at the alumni meeting. The principal address was delivered by the Rev. A. S. Horn, Tiffin.

LOCAL LODGE WILL ATTEND INITIATION

Large Class Will Be Taken
Into Cincinnati Elks
Organization

Four members of Marion lodge No. 32, B. P. O. Elks will motor to Cincinnati Friday where Friday night they will attend the initiation of one of the largest classes in the history of the Cincinnati lodge. One hundred are in the class, which will be known as the Jerry Herman class.

The Cincinnati lodge is the mother lodge of No. 32, having instituted the Marion lodge on March 3, 1885. The visit to the initiation of the Jerry Herman class will be in the form of a tribute to Jerry Herman, who is one of the oldest Elks in the state.

Those making the trip from here are T. A. O'Leary, exalted ruler, Cecil Leavins, esteemed local knight, V. M. Dutton, esquire and E. H. Higgins, secretary. They will return to Marion Saturday night.

"RHEUMATISM OR YOUR JOB—WHICH SHALL IT BE?"

That's the Question Which a New German
Course of Treatments Aims to Answer

The rheumatic group of diseases—lumbago, neuritis, neuralgia, gout, sciatica and arthritis—take a terrifying toll of wage earners, and all active workers, high and low alike.

Not the least of their ravages is the loss of the worker's earning power. They cast over the one on whom falls the responsibility for home and dependents.

But this new German course of treatments—called Translutan—worked out and tested by scientists in Germany, in health bath institutes, hospitals and sanatoriums, and further tested and verified in other European countries, is worthy of serious consideration.

So convinced of its remarkable merits are the American sponsors of this course of Translutan Treatments, that they authorize the distributors in each town to return the purchase price of the full course if the benefits received are not satisfactory, after the prescribed full five treatments have been taken, according to directions.

The very first treatment, in the course, often shows sufficient relief, so the sponsors claim, that the user is apt to think he is "cured." However, a disease so stubborn, deep-seated, and long standing as rheumatism, does not so easily surrender. It is wont to come back. The attacks recur. That is why nothing short of the tested course of five treatments can be relied upon to give satisfaction—or money back.

Why suffer another day needlessly? Go to the druggist, named below, this very day. Learn about these remarkable treatments. If the five-treatment course is taken as directed and you are not sufficiently benefited, the purchase price will be refunded. Nothing could be fairer or surer than that.

Yes! Naturally such a course runs into money! But are a week's wages too much, if in 10 days, you again go into full regular earning power with no more pain, stiffness or fear of losing time. Henry & Cooper, 130 West Center st.—Ad.

CLUB AFFAIRS SOCIAL EVENTS CHURCH NOTES

Social Activities

MISS MARGARET WOLFLEY and Miss Lucille Foreman, entertained members of their club and a number of guests at a bridge luncheon yesterday afternoon at the Foreman home, East Church st., for the pleasure of Miss Veda Shaw, whose marriage to Clyde Hensch will be an event of June 30, and Miss Anna Parks, who will sail from New York City Saturday for a tour of Europe.

Garden roses were arranged throughout the rooms, with rose buds and garden flowers in bud vases, centering the luncheon tables. Four tables were arranged for bridge, high honors going to Miss Mable Tschannen and second honors to Mr. Ernest Smith.

Miss Shaw was presented a shower and Miss Helen Atchison presented her the gift from the club. A gift was presented Miss Parks, together with a packet of letters which she is to read on her trip.

Guests of the club were Miss Audrey Bolander, Mrs. Virgil Shaw, Miss Hazel Markwell and Miss Nancy K. Raulhauer.

Reunion Held at Westerville

One of the oldest reunions ever held in Ohio was that of the Laramore-Lawkins reunion at Westerville yesterday. It was held at the home of James Laramore and ranks among the oldest gatherings in the state of Ohio. There were about 150 present from Mt. Vernon, Newark, Granville, Centerville, Columbus, Kirkersville, and Dayton. Mr. and Mrs. Sherman White, South Prospect st., attended the reunion. Among the guests present was Gov. Myers Cooper who by marriage is a member of the family. Governor Cooper made a short address.

New Way to End Perspiration Odor

Nothing destroys your charm like perspiration odor. You may not even notice any odor, but others do. Don't risk giving offense. Use Kor-Konia—the soothing deodorant. A remarkable new powder discovered by chemists—owners of the finest shaving creams, talcums and baby powders. It neutralizes perspiration acids and prevents odor. Regular application keeps you free from odor all day and evening. Kor-Konia also absorbs excess perspiration, avoids unsightly moisture, thus preventing injury to garments. Soothes, heals raw, rubbed skin, ends burning and itching. Don't have perspiration odor—the unforgivable social error. Use Kor-Konia from drugstore today. Use liberally and frequently wherever there is perspiration or raw, rubbed skin. Use on sanitary pad. Apply to feet to keep perspiration from ruining hose—Ad.

Married on Bride's Anniversary

Miss Mildred Arndt chose the birthday anniversary of her bridesmaid, Miss Leona Thompson, for her wedding day, when she was married yesterday morning at 9:30 o'clock in First Presbyterian church to Earl William Farley. The Rev. Howard L. Oberster, read the single ring service. The bride is the daughter of Mr. and Mrs. John Arndt, South 11th st., and the bridegroom is the son of Mr. and Mrs. Truman B. Farley, Sharpless st.

The bride was lovely in a dress of white georgette, with light tan felt hat to match. She wore a corsage of salmon roses, pink daisies and blue delphinium, tied with green tulle. Miss Thompson was in an imported light tan georgette dress, with light tan felt hat to match. She wore a corsage of salmon roses, pink daisies and blue delphinium, tied with green tulle.

Perrell Farley attended his brother as best man.

A wedding breakfast was served to 25 guests at the bride's home, after which Mr. and Mrs. Farley left on a trip through the south.

Mrs. Farley was a graduate of Harding High school with the class of '29, and has been employed at the Valley Banking Co. Mr. Farley is employed in the offices of the Erie railroad.

Miss Louise Bargin Honored at Party

Among the many parties honoring Miss Louise Bargin, whose marriage to Charles Schoenhub will take place June 27, was that of Mrs. E. H. Morgan and daughter, Elisabeth, when they entertained members of the Silver Tea club of St. Paul's Episcopal church Monday evening at their home, South Greenwood st. Miss Bargin was pleasantly surprised with a miscellaneous shower by members of the club. Five tables were placed for bridge, high honors being awarded to Mrs. Eva Wilson. A luncheon was served by the hostesses at tables decorated with lovely garden flowers.

Miss Ringle Surprised by Friends Here

Miss Thelma Ringle was pleasantly surprised last night by a number of friends at her home 300 Park Boulevard in celebration of her birthday anniversary. The time was spent socially and refreshments were served. Those present were Misses Katherine Westover, Mary Howell, Marian Dale Greenwald, Martha Howman, Margaret Nee, Helen Duff, Carrie Fowler, Ellen Hoffman, Mildred Ringle and Thelma Ringle.

Committees Chosen at A. I. U. Meeting

At a regular meeting of the A. I. U. last night in the I. O. O. F. hall the entertainment and social committees were chosen for following meetings. Mrs. Frank Hammond, Mrs. R. L. Young and Mrs. Nell McGulire were chosen as the entertainment committee and Miss Leona Hammond, Miss Vera Griffiths and Mrs. Hester Swisher were appointed on the social committee. On June 26 a supper will be served at 6:30 followed by a social time. In the evening the Junior A. I. U. will meet.

Catholic Women at Convention

Mrs. N. L. Gehhart, Mrs. A. O. Edmundson, Mrs. J. T. Prendergast, Mrs. John Cleary, Mrs. Thomas Kerrigan, Mrs. John Key, Miss Alice Caulfield, Mrs. Henry Yechem, Mrs. J. J. Foley and Mrs. J. B. Hoover were among the women who attended a district convention of the Catholic Ladies of Columbia, held at Cincinnati today.

Only one day has been given to the meeting, at which routine business of the district will be discussed and plans made for the year.

HOSPITALITY AWAITS YOU

ARE you coming to Atlantic City for the great "festival of light"—the fiftieth anniversary of Edison's discovery of electric light? If so, come to Chalfonte-Haddon Hall. Come any time during this month or next. Feel the friendliness that has made these two hotels-in-one famous . . . sense the restfulness of the spacious lounges . . . the homelike quiet.

Then out on the ocean deck, view the Boardwalk procession—all the more colorful by night because of the elaborate electric decorations.

Just beyond the rail, see the panorama of the ocean, and an iridescent display of light on the surf when darkness comes. Write for folder of Chalfonte-Haddon Hall and garage facilities.

When you know the facts, you know what a wonderful ginger ale it is

SUCH basic excellence means marvelous flavor. Cooling as the breeze which blows off a snow-field . . . refreshing as the sparkle of a mountain brook . . . delightful as resting after a hard climb.

"Canada Dry" has won the approving nod of connoisseurs the wide world over. . . It is served in countless homes throughout this country and Canada.

"CANADA DRY"

The Champagne of Ginger Ales

1—"Canada Dry" is made from high-quality Jamaican ginger and through our exclusive extraction process retains all the flavor and aroma of the ginger root.

2—"Canada Dry" is made from absolutely pure ingredients, blended and balanced in exact proportions. A secret process of carbonation enables it to retain its sparkle long after the bottle is opened.

3—"Canada Dry" is tested daily under laboratory methods to assure its purity. Leading hospitals serve it. Leading physicians prescribe it. Here is a better, purer ginger ale.

"Wonder Powder" Say Beauties

MELLO-GLO Face Powder is preferred by beautiful women because it leaves no trace of falseness, pastiness or irritation. Stays on longer—no shiny spots! Made by a new French process—presents large pores. Spreads more smoothly—gives a youthful bloom. Very pure. Use MELLO-GLO Face Powder. It's wonderful. Stump & Sams' Pharmacy—Uhlir-Phillips Co.—Ad.

Skin Spots and Stains Instantly Removed

A progressive chemist recently discovered a sure way of quickly removing ink spots, cigarette and other stains and discolorations from the skin. Sprinkle a little Peroxine powder on a blotting cloth and rub gently until the spots disappear. The same procedure will clear the face of blackheads, oily, shiny skin and unsightly blemishes. Peroxine dissolves them away like magic. Get a small quantity of Peroxine at your drug store, and always keep it on hand for such emergencies.—Ad.

A Polishing Wax that does its own Cleaning

Here is a floor and furniture wax that not only leaves surfaces shining but cleanly shining. Hoover Polishing Wax doesn't ask any preliminary cleaning; it does its own cleansing as it goes, putting its bright, hard luster on a surface that is freshly, thoroughly spick-and-span.

And such a finish as it does give! Not an over shiny finish, not a dull and sticky one. Just a rich, lustreous polish that is so smooth and hard, so free from oiliness or stickiness that dust simply won't cling to it.

HOOVER POLISHING WAX

is wonderfully easy to use. And marvelously speedy both in its application and in its polishing. It is liquid—so it goes far. It clings tightly to the surface on which it is used—so it can be spread thin. It dries immediately—so it can be polished without delay. And it polishes readily—so it needs no vigorous rubbing, but just a light going over, with a cloth or the polishing attachment of your electric cleaner.

It is remarkably good for floors—doesn't invite dirt and isn't slippery. It is fine for furniture—protects the beauty of the finish and leaves no bluish cast or bloom. And it is excellent for motor cars—makes their finish easier to keep clean, for it is not affected by gasoline or oil or water. It is a particularly desirable finish for windowsills or other wood surfaces exposed to the weather, because it is waterproof; and an ideal finish for linoleum, because it makes unnecessary the use of soap—is readily cleansed with clear water. It is so easy to apply, so quick to dry, so ready to polish to brightness, that it is only a matter of a few moments to go over the most-exposed spots on the floor, the finger-marked table, the much-used chair and restore both their cleanliness and their luster.

You can get Hoover Polishing Wax, made by the maker of The Hoover Electric Cleaner, from Department, Furniture, Hardware and Drug Stores and Garages. You will like it.

DR. MILLER TELLS AIM OF COLLEGES

Says Students Should Be Disciplined, Refined, in Talk Here

College should discipline, liberalize, and refine a student, Dr. Miller, president of Heidelberg college, and a M. C. A. worker, told members of the Marion Kiwanis club in an address following the Thursday luncheon at the Marion club today.

Discipline is the basis of all good education, Dr. Miller said. "This is a nervous age. Many of our students must be taught to sit still long enough to think a problem through," he said. Mathematics and Latin are good subjects to study to discipline the mind as they teach accuracy, Miller said.

To liberalize a student he must be given own choice of work. Many students after a year or two in college, change their course when they see another that appeals to them more. Dr. Miller said it does not matter what work we do as long as we give ourselves to the age in which we are living.

In speaking of refining influences, Dr. Miller said that education is not a matter of technique as it is of personality upon personality. History should be studied for content with great men of former ages.

Dr. Miller said that United States was not first in education but ranked about eighth or ninth with other nations of the world.

The first seven words were given no doubt.

MORE MYSTERY IN HIX GIRL'S MURDER

Police Officials Continue To Grill Professor Despite Earlier Alleged "Confession"

Continued from Page One
portance on the statement of Snook who, according to Prosecutor John J. Chester, admitted returning to Miss Hix a key to their love nest on June 17. Snook turned into the landlady of the apartment the same key two hours before the body of the murdered girl had been identified as that of Miss Hix. Chester declared.

Chief of Detectives W. G. Shellenbarger informed International News Service that when Snook during the grilling this morning was asked where he secured the key to return to the landlady he replied:

At the body
Shellenbarger stated Dr. Snook admitted to investigators that a vanilla case which they found in the furnace of his home belonged to the slain girl.

Burns Clothing
Snook had previously admitted burning two pairs of the girl's pajamas and her slippers. However, he explained that the wearing apparel had been left by her in the love nest, and that he desired to destroy it after he had learned she was dead.

The grilling of Snook started at 2 o'clock yesterday afternoon. The probers, seven of them worked in relays. It was the most grueling, third degree in police annals here. "Snook maintained a remarkable calmness until 5 o'clock this morning. Then he became nervous and according to Chief Shellenbarger, contradicted himself."

Damages Snook
Mrs. Snook wife of the former Ohio State university professor, was questioned by authorities Tuesday. Discrepancies between the information she gave and the statements of her husband are believed to have caused Snook to become muddled in his answers this morning.

The woman told investigators that she did not know of the relationship between Snook and Miss Hix until after the murder.

During the early stages of the investigation Dr. Snook admitted he had lived part of his time with Miss Hix in their love nest, an apartment and wife. Subsequently President George W. Rightmire of Ohio State university dismissed Snook as professor of veterinary medicine at the college due to his moral delinquencies.

Murdered the night of June 17, the body of the attractive coed who had been a medical student at the university was not found until the following noon. The body had been slashed and the body was a mass of bruises. So brutally battered was it that identification was not made until the following day.

Baffling Mystery
The body was discovered by two boys who were walking through the weeds of a rifle range in the northwestern part of the city—the range which Dr. Snook, a crack shot and a former member of the U. S. Olympic rifle team frequented.

The murder was one of the most baffling mysteries officials have ever attempted to solve. Recognized by a very few persons as Mrs. Snook at the cozy one room apartment where she spent some of her time with the married college professor on the university campus and at the room which the Henderson Fla. girl shared with two sisters she was generally known as "Miss Hix," quiet, studious and unassuming young woman—and a bride of two.

Consequently the revelation that the girl had lived with the doctor as his wife caused a sensation.

To Out Mevers
Besides Snook, another Ohio State university man, Marion J. Meyers, 7 member of the agricultural college faculty, also was held for investigation in connection with the murder. He was placed in jail without bond June 16 and was not released until yesterday.

Suspicion was not directed at Meyers but police thought Meyers knew much about Snook and Miss Hix. Meyers admitted he knew the coed intimately and stated he had begged her to marry him. At one time, Mrs. Hix broke away from Snook and was much in the company of Meyers, but she later returned to the doctor.

Because Meyers admitted an intimate friendship with the coed President Rightmire of the university notified him following his release from custody that he would recommend his dismissal to the university trustees.

Some of the greatest enemies are started when a sick man finds that someone whom he expected to call on him doesn't.

Precedents are created by people who have to decide quickly without any.

The first harbor dredge operated by Diesel engines recently was launched by Wisconsin builders for use on Lake Michigan.

COCHRANE once known as the world's wealthiest bachelor was noted as a sportsman and thiolau thropist. He maintained a summer home at Leeland, Cal.

WOMAN INDICTED
TOLEDO June 20—Wm. White today stood indicted on a first degree murder charge. She was accused of fatally stabbing Alta Warner with a bread knife April 27 last.

INDICTED FOR MURDER
COVINGTON June 20—Charged with first degree murder Albert C. Gunning is under indictment here today. Gunning was charged by the grand jury, yesterday with the killing of his wife Anna June 1. It is alleged he shot Mrs. Gunning while there were in an automobile on the outskirts of the city.

SCHOOL STYLES CHANGE

Katherine Kehoe (center) and Frances Bidwell (right) present a sharp contrast to Miss Mary Hochie who wore garb of the 90's at the tableau of pedagogical style staged by the Chicago Teachers Federation.

Here's Some Suggestions for Sandwich Fillings

SAW the bread for sandwiches don't cut it. A sharp serrated breadknife will give clean edges and enable you to slice to any degree of thickness.

And be wasteful about the crusts in cutting.

Yes, it does seem extravagant to trim off four sides of a loaf, but if these trimmings are dried and crushed they can be put in a jar and kept for stuffing, breadcrumb, meat, croquettes, etc. and even be turned into tasty desserts and puddings. A layer of crumbs makes a beautiful crust too with no trouble.

But leaving the crust to rustle makes away from their appearance for one thing. And very often it is discarded anyway, even though carefully spread with filling.

Even those who usually like the crusts on bread, because of the additional flavor, find it inconvenient in a sandwich and gently knead it. In addition, one day old bread is better than the loaf just out of the oven, both for convenience in cutting and flavor. Two fresh bread may absorb filling so much as to become soggy.

If the sandwiches are to be used some hours after being prepared, the safest thing is to wrap them in waxed paper. There are waxed paper bags large enough to hold one large or two small sandwiches and they are real by the simplest way of carrying sandwiches on a picnic, and keeping them in brand new condition.

Chopped foods are easier than slices for sandwich fillings. Meat loaf or fish loaf prepared with fine cut seasonings are easy to slice and spread and make the sandwiches neat to the eye as well as easy to handle. Slice of chicken or meat etc. requiring a more or less liquid dressing to set them may make the bread too moist.

For this reason sandwiches with two fillings and the seasonings spread between are desirable. For example, a favorite sandwich for holiday lunch or a picnic is a slice of ham and a slice of Swiss cheese spread with mustard and placed together between slices of white bread. Paste moist enough that the moisture is between the cheese and ham and doesn't sop the bread.

Raw and cooked vegetables can be mixed with meats or fish to make a good paste for sandwich fillings.

recently beat the American. T. Iden, surprises those who know nothing about Frenchmen.

He was because of his steady determination.

He never tires, doesn't get excited and wins.

Consider the amazing fact that all his life he has drunk French wine diluted with water. The French have been brought up for centuries on light wine and good wheat bread.

Young gentlemen in this country with wear in mind that Rene LaCoste overstimulated his heart with cocktails or poisoned himself with au or whisky.

YOUNG gentlemen with their diplomas from major universities will be soon waiting for the world to answer the question: What have you to offer?

The world will answer: Experience and plenty of it.

Graduates will find the real education begins now. Some of them convince that they already amount to something will get nothing.

College education forms youth when it does not deform it, as the French proverb says of travel.

Personality is what makes a leader, but it can't be clearly defined.

ENGINEER'S REPORT ON DITCH IS FILED

Grave Creek Project One of Largest in Marion County

One of the largest ditch projects ever undertaken by Marion county when the engineers report on the Grave Creek ditch was filed with the board of county commissioners.

The estimated cost of the project, as shown by the report, is \$30,450. The ditch is known as Grave Creek ditch and is located in Marion, Pleasant and Richland townships.

The ditch is about eight miles in length and exceeds by about two miles the length of Quaker ditch, south of Marion, which is now nearing completion. The estimated cost of Grave Creek is about \$5,000 lower than the actual cost of Quaker.

Grave Creek ditch was petitioned for by the Martha B. Hord and other property owners in the three townships. The project will affect more than 200 tracts of land. The petition was filed with the board of county commissioners on Feb. 23, 1927. The petition requests the deepening, widening and straightening of the ditch.

The commissioners have set July 15 at 10 a. m. as the time for the final hearing on the project. The hearing will be held in the office of the commissioners in the courthouse.

Enforcement officials apparently take the ground that prohibition will begin to prohibit when there is a dry district.

On account of this being a road show the price of admission will be:

10c Children { Afternoon and Evening

20c Adults {

After Friday and Saturday our prices will again be 10c and 20c.

NOTICE—Commencing Saturday we will run a continuous show from 1:30 to 11 o'clock every Saturday and Sunday.

Union Will Observe 3rd Anniversary of Founding

Celebrating the third anniversary of the founding of the German Beneficial Union, the local union, Branch No. 685, will entertain a large delegation from Columbus, Saturday night at Druids hall.

The visiting delegation will bring a chorus which has won favorable comment wherever it has been heard, and will present a playlet. It is expected

by officers of the local branch that a large number of the members here will be present for the meeting. Refreshments will be served.

E. R. Boudler, E. Mahler and Herman Gebring are a committee in charge of the meeting.

Nearly 700,000 spiders would be required to produce a pound of web, according to estimates of scientists who have experimented with the substance as a substitute for silk.

SAYS PARTY DUTY TO MRS. DE PRIEST

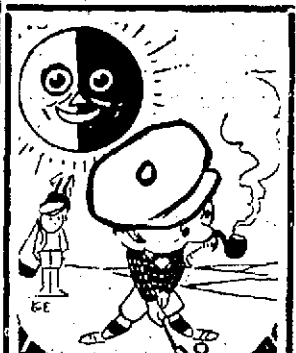

Chicago Negro Editor Declares Congressman's Wife Has No Social Ambitions

CHICAGO, June 29.—Mrs. Oscar De Priest, wife of Chicago's negro representative in congress, attended the now famous tea given by Mrs. Hoover at the White House because she thought it was her duty and not because she had any social aspirations or a desire to mingle with "white folks."

Her friends here in Chicago's far-flung colored district, home of 175,000 negroes, and second to Harlem, New York, in colored population, made this assertion today in discussing the social stir occasioned by the tea party incident.

"What else could she do?" asked Robert S. Abbott, editor of the Chicago Defender, the leading colored newspaper of the country, in an interview with International News Service. "She was invited by Mrs. Hoover. She went."

Sees Mild as Request

to undergo the slightest humiliation? Her husband was elected to congress from the first congressional district of Chicago and when he went to Washington, she went with him, as many other congressmen's wives do. "When she was invited to tea at the White House, along with the wives of about 60 other congressmen, she regarded the invitation as a request—almost a requirement. She represented not the negro race but the American people. And the American people should not stand for her being given a slap in the form of criticism by southern congressmen and others."

The aftermath of the tea party incident is being watched with "intense interest" in Chicago's big colored district, according to Editor Abbott.

Has No Ambitions
Mrs. De Priest, he declared, has no social ambitions. In Chicago, among her own colored folks, she never entertains on a sumptuous scale, said the editor, who is a close personal friend of the De Priests. He characterized Mrs. De Priest as a refined and retiring woman and a good mother.

Abbott referred respectfully to Rep. A. Green of Florida, who announced he would never attend another social function at the White House so long as it is occupied by President and Mrs. Hoover.

"You never hear of some of these southern congressmen on international peace, farm relief or other major issues before the nation," said Abbott. "But let the subject of the negro come up in the halls of congress and they begin to know all about it. In reality they are giving vent to hatred and prejudice to gain votes for themselves."

WATSON'S NAME IS BACK TO PRESIDENT

Pennsylvania Politicians Lose Step in Fight Before Senate

WASHINGTON, June 29.—The long battle of Pennsylvania's ranking Republican leaders to secure the appointment of Albert L. Watson, of Beranton, as federal judge in the middle district of that state, failed of its goal today when Watson's nomination was returned to President Hoover by the senate.

Watson's appointment was not confirmed by the senate, due to a fight against him by Scranton interests. Under the law, since the senate took a recess for over 30 days, the nomination was sent back to the White House.

The nominee meanwhile will not be eligible to reappointment until after the senate reconvenes on Aug. 10. The power of the president to fill vacancies during a recess of congress will not apply to Watson's case, as he was named to the newly-created extra judgeship in the middle Pennsylvania district. The supreme court years ago decided that "an office newly created which has not been filled is not a vacancy within the meaning of the constitution."

Watson therefore will have to occupy the political sidelines until his case can be threatened out in the senate next August.

RIOTING IN INDIA

LONDON, June 29.—Serious rioting between Hindus and Moslems is reported from Devarangar, in the state of Mysore, India, according to a Bombay dispatch to the Daily Mail today. Police were forced to fire on the rioters. Three were killed and 51 wounded, the dispatch states.

"ALL RUNDOWN", KONJOLA BRINGS QUICK RELIEF

New Medicine Was First and Only One That Touched Her Case

MRS. JOSEPHINE JONES

"For the past year I was so ill that I began to fear that there was nothing to help me," said Mrs. Josephine Jones, Route No. 1, Valley Pike, Dayton, Ohio. "Everything I tried failed and I might just as well have taken so much water. I was sick all over, had dizzy spells and was very nervous and weak."

"Three bottles of this new medicine, Konjola, swept away that tired feeling, calmed my nerves, and ended the dizzy spells. I could feel renewed strength all over me. I am doing my work now, and gaining in weight and in strength. Konjola is simply wonderful, and I take pleasure in doing my endorsement to the thousands who know what this remedy really is."

Konjola is sold in Marion, O., at Stump & Sams Pharmacy, and by all the best druggists in all towns throughout this entire section.—Adv.

Doctor Found Women and Children Sick More Often than Men

As a family doctor at Monticello, Ill., the whole human body, not just a part of it, was Dr. Caldwell's practice. More than half his patients were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough examination. They were constipated.

In the course of Dr. Caldwell's 47 years' practice, he found a good deal of success in such cases with a preparation of his own containing simple digestive herbs with pepsin. In 1892 he decided to use this formula in the manufacture of Dr. Caldwell's Syrup Pepsin, and placed it on the market.

The preparation immediately had as great a public success as it previously had in Dr. Caldwell's private practice. Now, the third generation, is using it. Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it. There are thousands of homes in this country that are never without a bottle of Dr. Caldwell's Syrup Pepsin, and we have many hundreds of letters from grateful people telling us it helped when everything else failed.

While women, children and elderly

people are especially benefited by Dr. Caldwell's Syrup Pepsin. Its mild, gentle action is promptly effective on the most robust constitution and in the most obstinate cases. Containing neither opiates nor narcotics, it is safe for the tiniest baby. Children like it and take it willingly. Every drug store sells Dr. Caldwell's Syrup Pepsin.—Adv.

Don't let Rheumatism make an invalid of you. S.S.S. stands ready to knock it out.

THOSE muscular pains, commonly called rheumatism, are generally due to a run-down condition, with the number of red-blood-cells below the normal count.

S.S.S. aids the system in building up these red-blood-cells and in getting rid of the condition of which the rheumatism is but a symptom. The body becomes strong and disease-resistant, and the rheumatic pains go.

Pains in your muscles and joints make you miserable, less efficient, interfere with your working hours, ruin your sleep. If allowed to continue, as the years pass the danger increases.

But what a change with rich, red-blood-cells in your body—Nature's building material—making the flesh firm—giving strength to the vital organs.

You can't rub rheumatism out. It is deeper than that. It must be knocked out. And the sure way is by helping the fighting blood—the red-blood-cells!

Increase your army of "workers" (red-blood-cells), and those muscle and joint pains, commonly called rheumatism, vanish. S.S.S. has brought this change about for thousands. Why not for you?

"After suffering several years, six bottles of S.S.S. completely relieved me of rheumatism. It also cleared up a skin eruption and gave me a good appetite. I think S.S.S. is a wonderful medicine!"
 R. C. Bantz, Southern Railway, Knoxville, Tenn.

"I was very nervous; had hardly any appetite, and suffered with rheumatism. I tried many medicines, but S.S.S. is the one that did me the most good. I am now well, and feel like a new man!"

The BEST Sleeping Equipment Is A Sound Investment In Health

How many times in the last few weeks have you gone to bed "all in" and arisen next morning feeling little or no better?

You'll find the remedy at Lennon's and it's not "hard to take." You can bound out of bed every morning and whistle or sing your way downstairs to a hearty breakfast just like hundreds of others who have invested in Simmons' beds, springs and mattresses. You owe it to yourself to follow their example.

Sagging springs, creaking beds and lumpy mattresses interfere with your rest but the very first night you sleep on a Simmons bed it'll start paying "health" dividends — and continue to be a safe investment for years and years. You'll never regret the small outlay of money.

Simmons All-Metal Beds

You'll welcome these beds that anyone can move easily.—No more straining, tug-of-war methods when you wish to change the position of your bed. And what a boon at housecleaning time. The whole bed can be cleaned in a jiffy—Just wipe off the smooth enameled surface to restore them to their original lustre—and—there are no hard-to-clean crevices.

Simmons "Ace" Springs

They're made differently from any spring you've ever slept on—and you'll appreciate the difference when you've tried them. Scores of oil tempered springs act as so many hands to gently support the sleeper in the most restful position—conforming to every contour of your body. Everyone from the smallest child to adults of more than average weight sleep better on the "Ace" spring—it just won't sag.

"Beauty Rest" Mattresses

Wouldn't you like to enjoy a night of perfect relaxation? A "Beauty Rest" will turn this wish into reality and multiply it hundreds of times. RECREATION BALL PREDICTIONS UPSET

BOTH CHURCH LOOP FAVORITES WINNING OUT; INDUSTRIAL OFF

Favored C., D. & M. Nine Tied For Last Place; Eagles Tie For Second

BY BOB ELLIOTT

WITH the first round of the four city recreation ball leagues coming to an end next week we started to rummage around through the files of a month or so back and ran across a few predictions that were made concerning said leagues and the way the teams would finish.

Just like all good little predictions they seem to differ a little with the present standings and by the time the second round is completed and the date for the Little World Series rolls around it is not likely that over two of our favorites are among those present except in the role of spectators.

At the date of writing two of the four pennant winners we picked are leading their respective leagues, but as far as the other two are concerned don't mention it, Roosevelt.

Both church leagues are running as per schedule with Lee Street in front of the pack in No. 2, and Calvary, the perennial champ of No. 1 ahead in that league. In the Industrial loop the C., D. & M. nine which we picked to end up in first place is now reposing in a tie for last place. However we have one consolation if they go into last place we can turn the league standings upside down and there we are.

We chose the Eagles to repeat as champions of the Commercial league but the Birdmen couldn't see it that way and went out and blew a perfectly good ball game to the Kappas, who are tied for second place in the game behind the league-leading Shore nine.

Our choice in the No. 1 church loop looks fairly good with Calvary stepping along at a fast pace and "Rube" Gruber pitching the best ball of any hurler in the league. Last week Gruber pitched the Iron Works and won games on three successive nights and whether or not this will effect his mound work in the future remains to be seen. Epworth No. 1, Trinity Baptists, Christians and Epworth Juniors are the other outfits that are fighting for first division berth. St. Mary's after an early season splurge, has lost three games in a row and is located in the second division.

Lee Street, top heavy favorites in the second church league, have been playing good ball, but will have to step back to last out Ashbury and Central Catholics. The Lee Streeters had won five straight games until last Monday when they went out and lost to the Lutherans for no good reason at all. They are still in the lead by a single game but Ashbury is coming too fast for comfort. We may see this team in the World Series but again we may not.

The Industrial loop is the one that is putting gray hairs in the hair of the favorite's head. The Erie Roundhouse, Osmond and Fairfield are sharing a three-way tie for first place with the first named looking the part of champs if there ever was a championship team. However Fairfield still has Bob Gamble, who lost his first game to the Roundhouse a couple of weeks ago on a very weird play by his outfield. Osmond has a good team but will hardly withstand the rigors of the tough second half of play. Fairfield and the Roundhouse will fight for first place.

A number of surprises have served to mix up the Commercial loop in a King's delight. The Shovels are in first place with four straight wins but have not met the Kappas and Eagles yet in the first round. The Kappas are the only unbeaten nine in town but will never finish the season in that status.

The Kappas were the victims of the biggest upset of the season when the K. of P. nine defeated them 4 to 2. The Eagles are far from as strong as they were last year when they went through the league without a defeat but are still good enough to upset any man's dope bucket. We'll still stick to our prediction in this league despite all arguments to the contrary.

PAULINO NEARING TOP FORM FOR SCHMELING

Talk about your showmen. Just get an eyeful of Paulino "Upstaged" at the right as he croons a doleful tune to his lady fair way up north at Housick Falls, Mass., where he's training. Next, at the left, you see the Banque greeting a young admirer. To prove he really does some work he steps out on the road, below left, with a slide kick and steps a few rounds, lower center, with Buddy Howard, one of his training partners. Paulino has a mighty busy day of things taken all in all.

Schmeling's Weak Chin May Cause His Downfall In Fight With Paulino

BY DAVIS J. WALSH

NEW YORK, June 20.—They will be telling you shortly in a very knowing manner just who is going to win, Schmeling or Paulino, at the Yankee Stadium next Thursday night and, being an impulsive, generous fellow that way, I'm willing to mention without further preamble at least two ways in which both of them can lose. It has been demonstrated before that no fight should be called in advance; this is one that can't be called, unless you are one of those gophers who go in for the blindfold test in a big way.

In brief, it is the writer's opinion that all serious attempts to call the turn on this one can run very dogmatically for Sweeney and most of his first cousins. A lot of hangers may call it but they won't be able to tell you why they did it.

This Schmeling, for example, is far and away the class of the two men as far as the eye is able to see. But the eye never looked through a man's jaw and it is history that he has been belted right on the buckle, or whisker, by some very cool opponents, including Larry Galies, Gypsy Danilo and a chump by the name of Rumber or something. True, he claimed he wasn't looking but, unfortunately, everybody else was, so the series of incidents in question got in the record books.

Can He Take It?

Outside of this, the fighter seems to be fool-proof. He has everything else, including as great a right hand as you ever saw.

ever hung on the arm of a man, "But can Schmeling take it?"

This is the question that will bring more than \$500,000 into the milk fund next Thursday—yes, the promoters have now that they need will be able to use the million they thought was on the way. It is a question that torments the imagination, for it means that one of two things may happen and both of them are likely to be sensational: Schmeling either will win with his punch or lose with his chin.

This is one of three ways in which he can lose; the others include the possibility that he will allow himself to be out-branched in the clinches and the question of whether, in the event that the fight goes the limit of 15 rounds, he can win going beyond the truth with a man who figures to be considerably his superior in strength and stamina. In the first fight, Schmeling, no one is justified in going too far out on a limb with a man whose jaw seems to be open to reason. On the other hand, he has picked up what they call the "winning habit" and sometimes that is hard to kick.

The boys have been up in Housick

Paulino starting intently for days at a time at the spectacle afforded by Paulino going through his workouts. They are trying to discover what he has, a secret known only to the hundreds of thousands who have seen him in his fights. Paulino is the same heavyweight who came to America several years ago and he never will be different—an honest fighter whose only defense is to cover his chin until he is set for a punch.

Meanwhile, he boxes everlastingly in, so that his short arms will get the range for a body attack. If he can do this, it is one of the ways he can win.

He can lose by being too cautious with that elbow-barrel defense of his, for then Schmeling would jab his way to a point-victory while Paulino was doing nothing. This was the way he fought Delaney, who also was presumed to have a great right hand.

Finally, of course, Paulino can lose if he gets hit on the frontpiece. He may be tough but that punch of Schmeling's is a certified wow and you can go right out and bet on it.

All in all, it seems to be established that Schmeling has the punch but the chin and Paulino the chin without the punch, which brings us to the question: Which are we drifting? And the answer is everywhere.

Marion Golfers Defeat Sandusky

MATCH HERE OPENS INTER-CLUB SEASON OF COUNTRY CLUB

Four Local Players Make Clean Sweep of Matches; H. W. Hane Gets 38

MARION Country club golfers defeated the Sandusky City club team 22½ to 12½ in the first inter-club match of the season yesterday afternoon on the local links.

H. W. Hane, No. 1 on the local team, was the only player on either team to break 40. He shot a 38 on the second nine in his match with Al Routh. His fine 38 won him the low medal score for the 18 holes with an 82.

J. J. Hane, Dan Evans, J. R. Smith and Bindley scored clean sweeps in their matches. Wilfred Schaffner and Gardner were the only local men that failed to win a point from their opponents. Schaffner was paired with R. D. Mitchell and lost 45-44 to 48-47-53. Gardner was paired with Title and lost 49-44-93 to 54-52-108.

Twelve matches were played with four players being unable to finish on account of the rain.

District President Presides For Opening Session and Program

SHORT BUSINESS SESSION

Visiting Chapters Take Part in Presentation of Degree Work

CAREY, June 20.—Mrs. Savella Johnson, worthy grand matron of Ohio, is among the honored guests in attendance at the sixth annual session of the Tenth district of the Eastern Star in session here today. Guests are in attendance from Ada, Dunkirk, Mervilles, McCutchenville, and a number of other surrounding towns.

Mrs. Ella Smith, district president, presided for the program which opened at 10:30 o'clock this morning with the singing of "America," and the invocation by the Rev. Paul R. Clouser. E. R. Moser, worthy patron of Crawford chapter, gave the welcome address and the response was made by Mrs. Lida Sheets, deputy grand matron. The welcome from the Masonic fraternity was given by H. E. Snyder, worshipful master and the response was made by Lydia Douglas, past district president. A short business session was followed by the dinner served by members of the Lutheran and Methodist Ladies Aid societies.

Members of the Ada chapter conducted the memorial service which opened the afternoon session, and officers of Crawford chapter conducted the opening ceremony. The presentation of the worthy grand matron, Mrs. Savella Johnson, and other guests of honor, was followed by the explanation of the degree work by officers of the following chapters: Lillian Schuch, worthy matron, Ruth Chapter No. 17, Mansfield; Rudolph H. Raabe, worthy patron, Ada chapter No. 6, Ada; Colla Dunham, associate matron, Senate chapter, No. 70, Forest; Ida Weaver, secretary, Bellville chapter, No. 221, Bellville; Ida Oebun, conductress, Latham chapter, No. 384, Kenton; Roma Hughes, ne-

ASSIGNS TEACHERS IN UNION COUNTY

Columbus Man Named Assistant School Head at Irwin; Other Changes

MARYSVILLE, June 20.—Union County Superintendent of Schools J. A. Yealey, Unionville Center, has announced the selection of the following new teachers, by various local boards: Carl O. Frazier, Camden, will succeed Gale Baldwin as principal of the Darby township high school. Mr. Baldwin resigned his position here to become superintendent of the Plainburg schools.

Kenneth G. Manthey, Columbus, has been hired as assistant superintendent of the Irwin schools. Lewis Kerk, Westerville, will be assistant superintendent of the Milford Center schools. Mr. Manthey and Mr. Kerk will be assistants to Mr. H. L. Snapp, who has been chosen by both the Irwin and Milford Center Boards of Education, to head their schools. He was named head of the Irwin school, and takes the place of T. W. Hyatt, resigned, at Milford Center, where he was a former teacher. Both schools are in Union township.

The Dover township school board has not yet made its report for the successor of Gilbert Kirby, former principal of the high school there, who resigned to take the place of Whitner K. Dunton, an assistant at G. L. Kinzinger, in Marietta. Mr. Kinzinger, a principal, will succeed H. L. Shiller as superintendent at that school. Mr. Shiller resigned to accept a similar position in the Tiro public schools.

GALION MAN WEDS AT MIDDLETOWN

Mr. and Mrs. George Gelsan-liter Will Reside in Mt. Vernon

GALION, June 20.—The marriage of George Gelsanliter, son of J. E. Gelsanliter, of this city and Miss Ruth Jones, daughter of Mr. and Mrs. Frank A. Jones of Middletown, was solemnized yesterday afternoon at 4 o'clock at the home of the bride's parents, Yankee Road, Middletown, in the presence of 100 guests.

A musicale of piano and violin music preceded the appearance of the bride and groom.

Immediately after the service an informal reception was held, and Mr. and Mrs. Gelsanliter left for an extended trip through the east, after which they will be at home in Mt. Vernon, where Mr. Gelsanliter has a book store.

Guests from this city who attended the wedding were J. E. Gelsanliter, Miss Norma Gelsanliter, and Mr. and Mrs. Lawrence Place.

OPEN THEATER

Mr. Gilead May Have Sunday Movies Manage States

MT. GILEAD, June 20.—Due to a steady decrease in the attendance at the Kynopos theater, Mr. Gilead's only amusement center, trustees of the theater are trying hard to keep from abandoning the theater and establish it on a sound financial basis.

Since theaters have opened in other cities the local board, although opposed to Sunday picture shows, has proposed to open the theater on Sunday evenings as theaters in Marion, Bucyrus, Gallon, Mansfield, Shelby, Plymouth, Prospect, Richmond, Westerville and other surrounding towns and cities are doing.

Having the fire at the center, next to the hub, a pneumatic wheel for street cars has been invented by a Baltimorean.

CONFERENCE WILL DECIDE QUESTION

City Employee, Attorney and Bucyrus Mayor Expected To Meet Today

BUOYRUS, June 20.—A conference between Miss Lucille Hertzler, suspended waterworks cashier, her attorney Clarence U. Aht and Mayor Arthur Schuler is expected to be held some time today, at which time it will be decided whether Miss Hertzler, in testimony given in the Hertzler-Cleary case in municipal court at Columbus last week, stated that there were pollutants in the water and garbage departments and that Miss Ferrall, who was accused of a shortage in those departments, had been allowed to keep her position because of that, or whether Miss Hertzler had merely made the allegations of pollution upon cross examination and under orders of the court. Whether Miss Hertzler will be suspended as an employee of the City waterworks because of these allegations depends upon the outcome of the conference, which will be held upon the receipt of the transcript of the Hertzler-Cleary case, which is expected momentarily and which will be used in deciding the issue.

Safety Director Goldsmith, who was in Columbus yesterday, called upon the court stenographer for the purpose of ordering a transcript of the Hertzler-Cleary case. Miss Hertzler has instructed the court stenographer not to furnish transcripts of the testimony to any person but herself and Cleary.

Tiro Smith Owns Unique Collection of Auto Tags

TIRO, June 20.—Sergeant Lloyd Miller, local blacksmith, has a most unusual collection of auto license plates united to a long list in his father's shop, here. There is a plate for every year that Ohio has issued license plates to auto owners, beginning with 1900 on down to the present year. Twenty-one of them in all, every color under the sun, every design. Some of them fancy lettering, some of them porcelain finish, and some of them very cheap looking, unattractive material.

The plate issued in 1900, did not bear the name of the year, but all

ARRANGE PROGRAM FOR INSTALLATION

Out-of-Town Pastors Will Take Part in Kenton Service

KENTON, June 20.—Stanley L. Weems, recently called to the pulpit of the First Presbyterian church, will be formally installed as pastor of the church at services Thursday evening.

Rev. J. L. Lloyd, Bellecenter pastor, will moderate the meeting and respond to the constitutional questions to the pastor and congregation while Reverend Barr will give the charge to the people. He is from Urbana. The sermon is to be delivered by Reverend Gauss of Bellefontaine. Music for the ceremonies will be provided by the church choir.

Here's Real Relief From Rheumatic Fever and Agony

In 24 to 48 Hours You Get Rest and Comfort Again.

Torturing pains—the kind that pierce and burn and seem to set up—that rob a man of his sleep—that make him just a bag of nerves and all worn out.

Those are the pains that dope and coal tar products can only partially relieve.

The safest and most efficient way to get rid of these persistent, nerve-racking pains is to get a bottle of Allenbur Special Formula No. 2. Be sure you get No. 2, which comes in capsule form. Take these little dark green capsules as directed and in about 24 hours you should be able to notice that they have considerably reduced if not entirely banished those severe, torturing pains that have caused you so many sleepless nights. Continue taking them for two or three days more and thus prevent an early return of the torture.

It doesn't matter how long you may have suffered or whether your trouble is in the shoulder, arm, neck or legs.

Bradley's Drug Store says these little window-working capsules must banish all pain and torture in 5 days or money cheerfully refunded.—Advt.

MT. GILEAD MAY GET NEW BUILDING

Congressman Mouser Introduces Bill For New Post-office in County Seat

MT. GILEAD, June 20.—Steps for a new federal building in Mt. Gilead have been taken by Congressman Mouser, Jr., of Marion, representative from the eighth district. A bill to appropriate funds for this purpose was introduced in the House of Representatives Thursday by Representative Mouser.

Because of the large business through the local office annually Congressmen Mouser was induced to introduce a bill in congress the last session. The business through the local office amounts to nearly \$20,000 annually.

MRS. WILL HUNT, 72 CLAIMED BY DEATH

Rites For Wyandot County Woman To Be Held Saturday

HARPER, June 20.—Mrs. Will Hunt, age 72, died at 1:30 o'clock this morning at her home, a few miles west of Harper after a three weeks' illness of congestion of the brain.

She was born in Grand Prairie township Dec. 12, 1857 to W. W. and Sarah Crump Smith. She married Will Hunt on Nov. 23, 1884.

Mrs. Hunt was a member of the Harper Methodist church.

Funeral services will be held at 2 o'clock Saturday afternoon at the home. Interment will be made in the mausoleum, south of Upper Sandusky.

GUILD MEETS

Gallon Church Group Presents Program; Social Hour

GALION, June 20.—Members of the First Lutheran Guild enjoyed a program in charge of Mrs. T. M. Gilead yesterday afternoon when they met in the Sunday school room of the church. A dollar social was held with each member contributing a dollar and telling how the dollar was earned. Following the business meeting a program was opened with a song by Curtis Ailes, Jr. and a piano selection by little Jean Kunkel, Miss Ailes. Next was rendered a piano solo and Katherine Lindley, Grace Berger and Thelma Kunkel played a piano trio, "Festive Polonaise," by Wolff. This was followed by Miss Catherine Polz singing a group of old fashioned songs in costume, with Mrs. Donald Townsend at the piano. The latter part of the program was patriotic in nature and began with a reading, "Just American," by Mrs. Harry Volk and Mrs. Earl Peterson gave a "Trust to the Flag" vocal duet. "My Flag Song" was sung by Mrs. Gertrude Wolf and Mrs. Hugh Reese with Miss Wise at the piano. The program closed with the singing of "America." Lunch with yellow and white table appointments was served by Mrs. C. L. Ailes and Mrs. Harry Barr.

SHILOH MAN NAMED HEAD OF SCHOOL

Mt. Gilead Board Elects at Special Session; Succeeds McCullough

MT. GILEAD, June 20.—During another special school board meeting Tuesday night H. S. Ford, formerly of the Shiloh schools, and who has had a number of years successful work in schools of Ohio, was hired to head the local school system next year succeeding P. J. McCullough.

The Mt. Gilead superintendent for next year is a young man 31 years of age and is a graduate of Ashland college, securing a degree in education at Ohio State university and M. A. degree at the university.

Besides education activities Mr. Ford is interested in the development of music, literature and athletics in the schools. He expects to come to Mt. Gilead not later than July 15.

No More Hemorrhoids

Pile Agony Ended Without Cutting.

Pile sufferers can only get quick, safe and lasting relief by moving the waste—bad blood circulation in the lower bowel. Cutting and salting can't do this—an internal remedy must be used. Dr. Leonard's Hem-Roid, a harmless tablet, succeeds the cause it relieves this blood congestion and strengthens the affected parts. Hem-Roid has a wonderful record for quick, safe and lasting relief to pile sufferers. It will do the same for you or money back. Heaney & Cooper and druggists anywhere sell Hem-Roid with this guarantee.—Advt.

ATTEND PICNIC

Hardin County Farmers Go to Woods for Outing

KENTON, June 20.—A group of Hardin county farmers, corn chaffers, and their families are in Woods today participating in the annual picnic and meeting of the Ohio 100 Bushel Corn Club.

They are Russell Kimball, T. G. Ireton, Harry Cornwell, Ira Marshall, his wife, Glenn, and daughter, Edna. All are members of the state group of Ohio corn growers, having met the requirements for membership by producing at least 100 bushels of corn to the acre on a 10-acre plot.

WILL FILE SUIT AGAINST RAILROAD

Alleged Breach of Contract Charged by Kenton Councilmen

KENTON, June 20.—Filing of a suit against the Toledo & Ohio Central railroad for alleged breach of contract relative to the car shops of the carrier here, has been authorized by city council. Solicitor Carter W. Schaeffer stated late Wednesday.

The suit will be for \$80,000 and liquidated damages. The case grew out of a contract drawn with the city at the time the shops were built here. Recently the shops were closed down which, according to the city, is contradictory to terms of the contract promising continuous operation of the shops.

NAMES RAILROAD IN DAMAGE SUIT

Cardington Man Asks \$25,000 For Death of Claud Hubbard

MT. GILEAD, June 20.—John H. Hubbard, administrator of the estate of Claud Hubbard, who was killed by a Big Four train south of Cardington April 24, has filed suit in the common pleas court here to recover \$25,000 damages from the railroad company.

The plaintiff states in his petition that the railroad employees failed to give warning on approaching the crossing, failed to watch the track ahead and failed to stop the train in time to prevent the accident.

C. L. Conkling and R. W. Larimer, of Columbus, are the attorneys for the plaintiff.

Hardin County Man Injured by Horse

KENTON, June 20.—Kicked by a horse which he was borrowing from a neighbor, John La Valley, 56, of near Ridgeway, south of here, was badly cut and bruised. The farmer was attempting to reach the animal when it lashed at him with both feet knocking him to the floor. He was not able to escape before the animal's hoofs struck him several times on the body. Unfastening the animal, La Valley led him into the open and then collapsed. After regaining consciousness, La Valley crawled to the home of a neighbor 100 yards away where medical aid was summoned.

If you are important, be careful: everything you say will go far.

ARRANGE RITES FOR MRS. CLARA CONLEY

Former Upper Sandusky Resident Succumbs at Home of Son in Fostoria

UPPER SANDUSKY, June 20.—Funeral services will be held Friday afternoon for Mrs. Clara Conley, formerly of this city, at the home of her son, Dr. Clair Conley, Fostoria. The services will be held at 2 o'clock. Mrs. Conley made her home for the past few years with her son in Fostoria. She had been ill with diabetes but her condition was so serious until this week. Death occurred Tuesday afternoon at 4 o'clock. Burial will be made in Oak Hill cemetery south of this city.

Mrs. Clara Belle Rusler Conley was born Oct. 1, 1854, in Liberty county. She was the daughter of Mr. and Mrs. Joseph Rusler, deceased. In her early life she was married to a Ransom F. Conley, deceased. Their children survive. They are, Mrs. Ray Wilmer, Crestline; Howard, Cecil Conley, Canton; Mrs. Fern Wagner, Bowling Green; Asa Conley, Illinois; Clarence Conley, Ransom, Ohio; Roy Conley and Dr. Clair Conley, Fostoria; Merle Conley, Dr. Joseph Conley, Fostoria; Randolph C. Conley, Upper Sandusky. Mrs. Conley also leaves a son, Mrs. Ella Vandenberg, Newark, a brother, Orlando Rusler, Summit Station.

In this age one may know more of life, but he also knows more of its worthlessness.

IMAGING all the wives of congressmen as custom orders Mrs. Hoover's guest. New York Heat. Wee Willie's Name Charity is Cold

Senator Blease is not to be counted on his reference to the fact that Mrs. Hoover had arranged a series of teas at the White House, which public property for the wives of congressmen.

Deliberately to strike her last woman whose husband is a member of congress because she happened to be of African descent, would have been to show contempt for the constitution of the United States.

SEVEN consecutive days of heat in New York City have killed eight men and one policeman who died of heat stroke.

One hundred and fifteen degrees in the shade at the Mojave desert 2,000 feet above the Pacific, is not dissimilar to the heat here.

opinion of John Nelson recently in mate of a home for old folks. He was 70 years old too young he said to be a pauper and live on charity.

He had enough money to pay for a cheap room at a hotel but none left over to pay for food. He lived a free man as long as he could. Yesterday, standing in front of a delicatessen store looking at the food he felt a faint and died. The doctor said starvation. The police said "starvation and pride."

President Hoover's task is not easy. People along the Canada border telegraph and write "Don't you please stop the shooting." According to schedule yesterday, he was to receive the National Loyalist Commission of the Presbyterian church, urging enforcement of prohibition.

In New York a distinguished hotel-keeper on trial summoned some of his best customers as witnesses. Respectable bankers and manufacturers testified that they did business with the hotelkeeper and found his goods all ways excellent.

DEMANDS ARMY AIR PROGRAM BE EXPANDED

Representative James of Michigan Declares Present Plans Are Obsolete

STARTS INSPECTION TOUR
Says Importance of Aviation in Defense Cannot Be Overestimated

WASHINGTON, June 20.—Declaring that Congress must take steps when it reconvenes to expand the army's \$100,000,000 five-year aviation program, Rep. W. Frank James, Republican of Michigan, chairman of the house military affairs committee, prepared to make a 15,000-mile inspection tour of all aviation posts.

A strong advocate of adequate air preparedness, James asserted that the five-year program already is obsolete.

Says Program Obsolete
"We ought to start holding hearings soon on the question of another five or 10-year aviation program," he said. "The present program will be completed in 1931 when the army will have 3,500 planes."

This program is obsolete before it is completed. The importance of aviation as a part of the national defense cannot be overestimated. We must have more and better planes.

In Hawaii alone I am informed by competent military officers the number of airplanes officers and men is only 20 per cent of requirements under the five-year program. The peace situation in aviation in Hawaii the Philippines and Panama should be the same.

Fixed Line of Defense
The airplane is the first line of defense in these far-off possessions. Reinforcements could not be delivered easily. So the army and navy both must be prepared at all times to defend them.

James is optimistic over the prospects of legislation to strengthen aviation. He pointed out that there has been a vast change in sentiment since the first war program was enacted following the Gen. Billy Mitchell investigation and court martial. Congress James said is now air minded.

Pigeon Hero Is Dead!

"President Wilson," Cited For Argonne Feat, Passes On

WASHINGTON, June 20.—Word reached the war department today of the death of the veteran army pigeon, "President Wilson," hero of the Meuse-Argonne offensive at the signal corps depot, Monmouth, N. J.

President Wilson was one of the famous pigeons of the World War. During an intensive machine gun and artillery action the morning of Nov. 5, 1918, he was liberated at Grand Pre in the Argonne with an important message. Twenty-five minutes later flying through fire and fog at a distance of 17 miles, he arrived at Monmouth. His mission was safe, bringing the pigeons of the war to the United States and had been enjoying a rest at the Post Monmouth hotel since. He lived to the ripe age of 11 years.

who has been proscribed by the Venetian authorities, but is in the city in the disguise of a sea captain.

When La Gioconda appears with her blind mother at the festivities, Barnaba once more presses his love upon her. She escapes, leaving her mother by the church door.

Barnaba plots revenge. He plans to get La Cieca, the mother of La Gioconda, into his power in order to compel her daughter to yield. Opportunity soon offers. He informs Zucchi, who is the defeated contestant in the regatta of the day La Cieca is a witch who has caused his defeat by sorcery. At this point Gioconda returns with her lover, Enzo. The populace has quickly become excited at Barnaba's gossip, and La Cieca is seized and dragged from the church steps.

In the midst of a great commotion Alvis, one of the heads of the state inquisition, appears with his wife Laura, who is masked. Alvis sternly commands an end to the rioting, and chiefly through Laura's pleading La Cieca is saved; in return La Cieca bestows her rosary upon Laura. Unknown to La Gioconda, Enzo and Laura, before her marriage to Alvis, were secretly betrothed, and though she was obliged to marry Alvis, and neither have seen each other since then, their love is still as strong as ever.

Barnaba knows the whole story and in order to gain La Gioconda for himself tells Enzo that he will arrange for Laura to be aboard Enzo's vessel that night. When Enzo leaves, happy at the coming meeting with his beloved, Barnaba advises Alvis by letter what is about to take place. As planned, Barnaba brings Laura to the boat, and there in a rapacious scene, when Enzo goes below Gioconda steals on board and confronts her rival. She is about to stab Laura when she recognizes the rosary that Laura is wearing as the one given her by her mother. In the meantime, Alvis and his armed followers arrive. Gioconda helps Laura to escape. Enzo, returning to the dock, finds Gioconda instead of his beloved, and a dramatic scene ensues. Rather than see his vessel captured, Enzo sets fire to it as the Venetian galleys approach.

There is rapid action in the next act, which takes place back at the Ducal Palace. Alvis has handled Laura a vial of poison which he orders her to drink. When he has gone, Gioconda, who has been hiding in the palace, hands her a flask containing a narcotic that will create the semblance of death. In the meantime, Alvis has had Enzo thrown into jail.

Gioconda brings Laura to safety at the outskirts of the city. She has promised Barnaba her love if he will aid Enzo to escape and bring him to Laura. This Barnaba manages to do, and Enzo and Laura, reunited, flee. Barnaba comes to claim his reward. Rather than submit to him, Gioconda stabs herself to the heart.

Old Snak, Secretary Stinson's parrot, arriving in New York, refused to talk, and so won unique distinction among the notables interviewed by the ship news reporters.
